

# FLOAT

BEAUTY  
FIRES

Fire design for luxury living.

## FLOAT

**N**ero Float suspended from the ceiling allowing it to create an envious presence in its environment.

Nero Float is hand forged and available in two sizes. The height of the Nero Float is made to measure for each individual project. Customising is also possible for the anchor plate, from which the Nero Float suspends, to suit unique ceiling structures.

The Nero Float allows you the opportunity to own a truly unique fireplace.

Bioethanol burns clean and is environmentally friendly. It produces no harmful emissions. The flame is natural and soothing providing a gentle heat and ambiance.

# FLOAT PEDESTAL

BEAUTY  
FIRES

Fire design for luxury living.

## FLOAT PEDESTAL

**N**ero Float Pedestal is a fireplace with none of the rigid aesthetic and constructive constraints that traditionally apply to a wood or gas fireplace.

Nero Float Pedestal is a freestanding bioethanol fire replace that creates an envious presence in its environment.

Nero Float Pedestal hand forged and is available in two sizes.

Bioethanol burns clean and is environmentally friendly.

It produces no harmful emissions. The flame is natural and soothing providing a gentle heat and ambiance.
