# ISLAND II

## STOVE DIMENSIONS

The Charnwood Island II is the middle stove in the Island collection. With a slightly larger view of the fire it still retains its clean-line proportions while producing a nominal 8kW of heat to the room. It can take a log length of up to 440mm (17").

*High legs: add 93mm to overall height  
Store stand: add 203mm to overall height*
